AbbVie Nurse Care Trophy
Made possible with a grant of AbbVie

The Belgian Hematology Society (BHS), with the support of AbbVie, has the pleasure to announce three grants to support nurses' projects in improving the patient journey, also throughout continued education.

Nurses involved in hematological care, are invited to submit their projects and apply for the AbbVie Nurse Care Trophy 2024.

All information on rules and regulations is available on the homepage, as is the application form. The deadline of submission is Monday, 06 May 2024 (midnight CET).

The jury will select up to three winning projects that will support a program for nurses, which is dedicated to improving the patient journey, or throughout continued education to nurses (participation in exchange programs with hospitals in Belgium and beyond or in events/training sessions for nurses).

Up to three monetary grants of EUR 10.000 (1st prize), up to EUR 5.000 (2nd prize), and EUR 2.000 (if a 3rd prize is retained by the jury) will be awarded to the winning projects.

The award ceremony will take place at the 2nd International Nurse Day organised by BHS on Thursday, 16 May 2024.

We are looking forward to receiving outstanding projects.

Sincerely,

Marc André, President of the BHS

Award Criteria

Who can apply?

- Be a natural person
- Be a nurse involved in hematological care
- Be a member of the BHS
- May not be an employee of the pharmaceutical industry

Projects' criteria?

- The project puts the patient first
- The project is related to improving patient care
- The project has no commercial objectives
- The project has no link with a pharmaceutical product
- The project is not a clinical research project
- The project can be implemented in the short to medium term
- The funding cannot be used to cover standard operating costs of the institution, and cannot result in any potential personal benefit (payment only to a non-profit institution, no entertainment or recreational activities, no items which could be used for other reasons (e.g. laptops, mobile phones...))

Application requirements?*

- A detailed project form with a maximum of 3 pages including a budget estimate, a cause, goal & plan of action
- An informative form containing the different project members
