GILEAD AWARD 2027

GILEAD CELL THERAPY GRANT

The Belgian Hematology Society (BHS), with the support of an unrestricted grant from Gilead Sciences and Kite, a Gilead company, has the pleasure to announce one grant to support research in the field of cellular therapies in hematological disease.

Researches working in hematology invited to submit their project and apply on behalf of his department for the Gilead Cell Therapy Grant.

Terms and conditions to apply are available on the BHS website. The deadline of submission is **Monday 04 January 2027 (midnight CET).**

The jury will select one winning project based on their innovative character, which will be awarded with 25.000 euro.

The award ceremony will take place during the 42nd BHS General Annual Meeting, March 12-13, 2027.

We are looking forward to receiving outstanding projects that can advance the outcomes of hematological diseases through cellular therapies.

Sincerely,
Ann De Becker, President of the BHS

SCAN ME TO APPLY

Award Criteria

Who can apply? → Any researcher working on cellular therapies in hematological malignancies can apply on behalf of his department
